October 22nd is Make A Difference Day

Sewell – The Volunteer Center of Gloucester County is encouraging Gloucester County residents to volunteer and take part in “Make A Difference Day” this Saturday. Make A Difference Day has been held on the fourth Saturday in October for the past twenty years.

The day is used to encourage people to volunteer and make a difference in someone’s life or in their community.

The Volunteer Center wants to let people know how and where they can volunteer on October 22nd. Volunteers can visit our website, www.gloucestercountyvolunteers.org, and find volunteer opportunities through our online volunteer matching program, Volunteer Solutions. Additionally, there are several date-specific volunteer opportunities for this Saturday.

- New Jersey Tree Foundation – Help NJTF plant trees in Camden’s Cooper Lanning neighborhood. People wanting to volunteer should contact Jessica Franzini at 856-287-4488 or email jfranzini.njtf@gmail.com.
- Saddlers Woods – Volunteers are needed to help cleanup an old-growth forest in Haddon Township. People interested in volunteering should contact donna@saddlerswoods.org or call 856-869-7372.
- Lauren Rose Albert Foundation – Run for a cause! The foundation is sponsoring their first 5k run around Washington Lake Park.

Volunteers make a difference. Whether it is cleaning up a neighborhood, planting a tree, mentoring a child, helping around the office, building a house, or taking care of someone, there are many ways to give back and make a difference in your community. The Volunteer Center of Gloucester County hopes to see Gloucester County volunteering on October 22nd.

The Volunteer Center of Gloucester County is a non-profit 501 (c) 3 that promotes volunteerism by connecting people with opportunities to serve, providing community agencies with resources and training, and building community partnerships to meet local needs. The Volunteer Center is located on the campus of Gloucester County College and is in part supported by the United Way of Gloucester County.
