Volunteers Needed for Boys and Girls Club Art Show

Deptford Twp. – The Boys and Girls Clubs of Gloucester County is looking for three volunteers to help children with arts and crafts as part of a dinner and art show to be held on October 18th. Children will be making arts and crafts that will be displayed and sold at the dinner. Money raised from the dinner and purchased artwork will be used to help fund the non-profit. Volunteers are needed between now and the October 18th event to help the children with their artwork. The children will be working on their artwork after school at the BGC GC Paulsboro clubhouse. Volunteers should have some artistic ability or a background in art. Any volunteer interested should contact Theresa DiVietro at 609-221-0079 or email at tdivietro@hotmail.com.

The Boys and Girls Clubs of Gloucester County is a non-profit dedicated to helping and nurturing disadvantaged youth. In every community, there are boys and girls left alone after school to find their own recreation and companionship. Without adult supervision, some of these young people may become involved with the wrong groups of kids and find themselves getting into serious trouble. The goal of the Boys and Girls Club is to offer kids a safe place to go after school where they can have fun and make friends. The Boys and Girls Club hopes to inspire and enable all young people, especially those that need help the most, to reach their full potential as productive, responsible, caring adults.
